What is The Field?

The Field is an artists' support organization based in NYC which has opened a site in Berlin to „support artists in the development of their work and to combat the isolation which often comes with an artistic career“ (from thefield.org).

What is Fieldwork?

At The Field Berlin, artists gather for five weekly meetings to show work and receive rigorous, supportive feedback following the Fieldwork feedback method, followed by a public performance. You're invited to see what we've been working on! Both April events include an introduction to Fieldwork and a chance to practice it with the artists.

For more on The Field Berlin or to participate in our upcoming Field Network Europe Conference (April 16-17, 2011) visit <http://thefieldnetwork.wordpress.com/berlin-germany/>.

Curious? Come check it out, April 8th or 16th!
